GDIP59 Dip Station

Build awesome shoulders, thicker delts, and killer triceps on our freestanding Dip Station. This upper body developer gets its stability from the wide and extended base that eliminates rocking. The 2"x 3" heavy-gauge steel uprights are perfectly angled for all size users. Oversize 1 3/4" bars with extra-thick and slip-proof rubber grips provide excellent comfort and allow multiple hand grip positions. Ideal for home and commercial use.
