

PSC43X Seated Calf Raise

POWERLINE USA[®]
by Body-Solid

PSC43X Seated Calf Raise

The Powerline PSC43X Seated Calf Raise machine delivers more strength, more power and more performance than any other seated calf raise in its class. It features an awesome 3:1 ratio, specially designed foot brace and smooth, friction-free movement. That means your calves will feel triple the weight resistance per pound for how much you load on in weight plates.

Weight post is 1" diameter, Weight Plates, Collar and Olympic Adapter sleeve optional.

Special Features

- Operates on a 3:1 weight ratio
- Round foot platform for increased range of motion
- Adjustable for all size users
- 2" x 2" heavy-gauge steel construction
- Electrostatically applied powder coat finish
