SFB125 Flat Bench

The Pro Clubline SFB125 Flat Bench is a no-frills flat workout bench with extra-thick upholstery and a heavy-duty steel base. Constructed with a 2"x3" 11-gauge steel frame and a high-density 12" wide pad, the SFB125 Flat Bench is a solid and stable platform for bench press, dumbbell flies, skull crushers, dumbbell rows, triceps kickbacks and more.

The SFB125 Flat Bench also features attached transport wheels and an ergonomic handle for safe and easy transport.

Weight: 58.4 lbs.

Dimensions: 63"L x 25.1"W x 17"H
